

Laura Barnick is a third-generation barbershopper - her parents and grandparents were involved in the Barbershop Harmony Society (SPEBSQSA) and Sweet Adelines, and barbershop music was always around!

She studied vocal performance and music technology at Elon University and participated in various choirs and vocal jazz groups during that time.

Laura has been a member of Sweet Adelines International and [Skyline Chorus](#) since 2015. She serves as an assistant director, bass section specialist, and floor team member for Skyline.

Laura sings bass in [Last Call](#), 2024 6th place International Finalists and Region 8 Quartet Champions and 2022 Region 8 Quartet Champions and 9th place International Finalists, and sang with Vintage, 2018 Region 8 2nd Place Medalists & International Wildcard qualifier.

Laura is also an Approved Candidate Judge in the Music category in SAI's judging program. One of her favorite parts of barbershop will always be teaching and singing tags, wherever and whenever she can!

Spare time activities include teaching piano, boot camp classes, watching/listening to anything "true crime," traveling, and avoiding moths at all costs (don't ask)!!
