

Laura Barnick is a third-generation barbershopper - her parents and grandparents were involved in BHS (SPEBSQSA) and Sweet Adelines, and barbershop music was always around!

She studied vocal performance and music technology at Elon University and participated in various choirs and vocal jazz groups during that time.

Laura has been a member of SAI and [Skyline Chorus](#) for 7 years; currently she serves as a bass section specialist and floor team member for Skyline.

She has been in 2 quartets since her membership - Vintage (2018 Region 8 2nd Place Medalists) and [Last Call](#) (2022 Region 8 Quartet Champions and 9th place International Finalist). Laura is also an Approved Candidate Judge in the Music category in SAI's judging program. One of her favorite parts of barbershop will always be teaching and singing tags, wherever and whenever she can!

Spare time activities include teaching piano, boot camp classes, watching/listening to anything "true crime," traveling, and avoiding moths at all costs (don't ask)!!
